Dental Treatment & Information Acceptance Form Stonebriar Smile Design

Please initial each section.

— **HEALTH INFORMATION**

I agree to disclose ALL previous illnesses, medications; medical, dental, and family history. Any undisclosed information or omissions could have a negative effect on my dental and oral health. I have been informed there are oral-systemic links that can affect my overall wellness.

— **DRUGS, LATEX AND MEDICATIONS**

I understand that antibiotics and other medications can cause allergic reactions and/or anaphylaxis, which is potentially a life-threatening condition that can interfere with normal breathing. Latex allergies can cause rashes and itching. Epinephrine, which is used in some dental injections, increases heartbeat, and depending on my health status may be dangerous. Please, disclose any information on our health history forms pertaining to any known drug or latex allergies.

— **DENTAL TREATMENT**

I authorize Stonebriar Smile Design to take radiographs, study models, photographs, and any other diagnostic aids deemed appropriate to my oral health needs. I also authorize all the Doctors at Stonebriar Smile Design to prescribe any forms of medication and perform any therapy that may be indicated and agreed upon. It is possible that a tooth may require endodontic treatment (root canal), even after a filling or a crown is done depending on the depth of existing restoration or decay present. This is not always predictable from radiographs alone. I also understand that if my teeth are sensitive after treatment, I must contact the office for an appointment to adjust my bite.

— **PORCELAIN CROWNS / VENEERS / BONDING & COSMETIC FILLINGS**

Once a crown, veneer, bonding or filling is placed, I understand the color cannot be changed without a remake. I have been counseled, informed and educated on how important it is to maintain a healthy balanced dental regimen achieved by complying with hygiene and dental treatment plans set out by each doctor of Stonebriar Smile Design. I understand that many factors contribute to my oral health: stress, clenching, grinding, acidity, diet and genetics. I am aware that most people grind their teeth subconsciously, which is damaging to the teeth and can break teeth or dental restorations. I have been informed about the need to wear an occlusal guard for protection, and a bite check is suggested.

— **PHOTOGRAPHY RELEASE**

I understand that photographs, x-rays, and videos will be used as a record of my care, and may be used for educational purposes in lectures, demonstrations, advertising, and professional publications.

— **HYGIENE THERAPY**

I understand that upon diagnosis of periodontal disease, I no longer fall under the category of a “routine” dental cleaning. The treatment is then categorized under the periodontal dental procedure codes which require additional services than “routine” cleanings. Bleeding gums and family history will contribute to this diagnosis.

— **HYGIENE APPOINTMENTS**

If I am more than 15 minutes late for my professional dental cleaning, I will either accept what treatment can be rendered in the remaining time, meaning a compromised dental appointment, or will reschedule and pay the \$150.00 broken appointment fee.

— **LIMITATION OF INSURANCE COVERAGE**

STONEBRIAR SMILE DESIGN IS NOT AN IN-NETWORK PROVIDER FOR ANY INSURANCE COMPANY. This means I am responsible for the difference in what insurance pays for my services and the cost of my treatment. As a courtesy, Stonebriar Smile Design will file my dental insurance claims. Most insurance companies will allow assignment of benefits payable directly to the office, meaning that I only pay the **ESTIMATED** portion at the time of service. However, the portions collected are only an ESTIMATE, once my insurance claims clear there may still be a balance due. I agree to be financially responsible for what insurance does not cover.

— **48 HOUR NOTICE OF CANCELLATION**

I agree to give 48 hours’ notice for schedule changes or I will be subject to pay the broken appointment fee of \$150.00. I understand that leaving a message after hours before my appointment is NOT sufficient notice. We do realize there can be extenuating circumstances.

— **APPOINTMENT TIMES & EMERGENCY CARE**

I grant permission for contacting me via telephone (work, home, or cell), email, or text to discuss matters related to my treatment, accounting, or dental appointments. It is our philosophy to be available to any patient in discomfort, or in an emergency situation. This courtesy is extended to all patients and we ask for your cooperation to only use the emergency contact line for true emergencies, such as, a broken tooth or severe dental infection causing swelling and pain.

— **FINANCIAL POLICIES & HIPAA**

I have received and understand the financial policies of Stonebriar Smile Design. I am aware they follow protocol of HIPAA’S notice of privacy laws.
